

# Clean Oceans Race Preparation

When preparing your boat for ocean racing, we encourage you to consider the materials taken on board, particularly around provisioning, storage and other consumables. Please refer to the below guide to inform you of what items can be recycled, and which ones cannot. Keep our destinations beautiful by doing the right thing.

## ✔ What can go in the Recycling Bin

#1 plastics  
(PET)

#2 plastics  
(HDPE)

Glass bottles  
and jars

Aluminium  
cans

Empty oil  
drums

Steel cans

Clean cardboard

## ✗ What cannot go in the Recycling Bin

Plastic bags, soft  
plastics and small  
plastic items

Tetrapak and  
juice cartons

Bagged  
recyclables

Disposable cutlery  
and disposable  
drinking cups

Coffee cups

Paper towels,  
tissues,  
dishcloths

Fast food  
packaging

Compostable  
packaging

Polystyrene

Thank you for making ocean racing a sustainable sport
