Notice of Race

2009 Melbourne to Port Fairy Yacht Race

ORC V

M2PF
Version 1.01

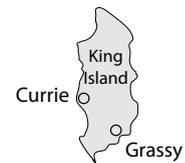

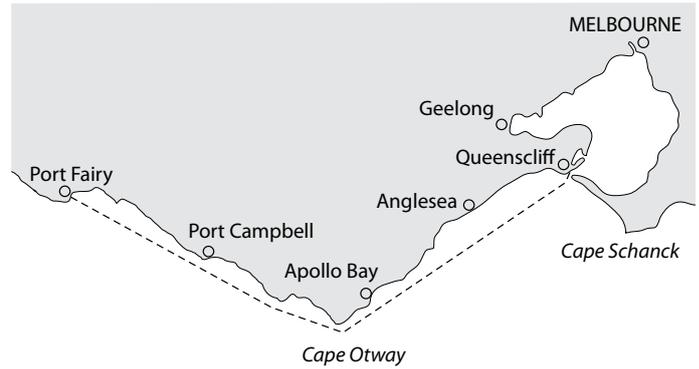

WELCOME TO THE M2PF YACHT RACE

Traditionally held over the Easter holiday, the race to the historic and picturesque western district town of Port Fairy is the longest of the three coastal races conducted by the club.

The 135 nautical mile course is often a race in two parts as it first takes competing yachts south-westwards past the coastal resorts of Torquay, Anglesea, Lorne and Apollo Bay before rounding the rugged Cape Otway where it is usually possible to ease sheets for a reach or run to the finish line.

All weather berthing is available in the Moyne River except for deep draft yachts, which can anchor in the sheltered Bay. Excellent hospitality and meals are provided by the Port Fairy Yacht Club at the completion of the race.

This race is part of the Offshore Championship.

- IMS Certificate (may be lapsed),
- Certification by the designer,
- Documentation from any national or international authority used for this purpose, or
- Different yachts from the same mould, class or type may be accepted on the basis of one yacht of that mould, class or type meeting one of these requirements.

Owners or owners representatives of yachts presenting lapsed IMS certificates must sign a declaration to the effect that no changes have been made to the yacht's rig, sailing configuration, hull and /or appendages that affect stability as declared by the documented methods.

Notwithstanding the above, the Race Committee reserves the right not to accept a yacht's entry in the event.

HF RADIO

A serviceable HF marine transceiver shall be fitted, complying with the requirements of the YA Special Regulations but also capable of operating on the 2524 kHz and 4483 kHz frequencies.

TOWING BRIDLE

MINIMUM AGE

A minimum age limit of 18 years shall apply and no crew under that age will be eligible to participate. The race committee may grant an exemption to this age limit if a competitor can show cause for such an exemption.

RECOMMENDATIONS

In addition to the above compulsory requirements, the ORCV makes the following further safety recommendations:

- Drogues, sea anchors or parachute anchors should be carried.

Recommended contents include (but are not limited to) a handheld waterproof VHF, 406 MHz EPIRB, waterproof torch, signalling mirror, knife, additional flares, strobe light(s), cyalume sticks, dye marker, harness tethers, duct tape.

ORCV strongly recommends that safety harnesses and suitable personal flotation devices be worn whenever conditions warrant, particularly in rough weather, at night or when sailing short-handed.
