APOLLO BAY
ORCV OCEAN RACE

V1.00

2012 APOLLO BAY YACHT RACE

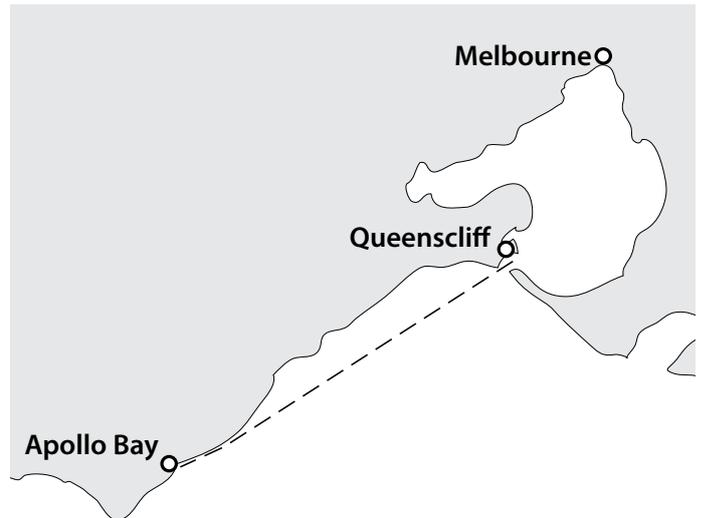

A short coastal race starting off Queenscliff, out of Port Phillip Heads before turning right along the coast to Apollo Bay.

This is an ideal race for those new to ocean racing with its shorter length and proximity to the coast. Being the concluding race on the summer racing calendar, the 52 mile dash to Apollo Bay can decide the Ocean Racing Championship.

The race is often won or lost by navigators and tacticians in their decisions to sail a seaward course or hug the shoreline in search of better breeze.

Berthing is available in the Apollo Bay marina and there are excellent facilities in the town for meals and post race refreshment.

This race is part of the Offshore Championship.
