The ORCV committee, staff and volunteers wishes to run a collaborative, inclusive, safe and enjoyable club for their members. The ORCV reserves the right to remove any Facebook post, comment or Web site article which is:

- considered offensive
- not relevant to the club or ocean sailing, eg political commentary
- damages the reputation of the ORCV, its committee, staff, volunteers, members, race entrants, sponsors or Australian Sailing.

The ORCV will endeavour to discuss reasons with those posters after doing so, but reserves the right to block them from future posts.
