

## **2019 Latitude Series Ocean Race**

### **NOTICE TO COMPETITORS No.1**

The Sailing Instructions have been modified to:

- Change the time of the first two Reporting Schedules given in Clause A8 from 1130 and 1230 to 1135 and 1235. This removes an inconsistency between the text and the summary communications schedule given in clause A14.; and
- To provide that when called to give their positions at each of the reporting schedules, yachts shall give their position at the half hour before the relevant schedule. (i.e. when called at the 11.35 schedule, yachts shall give their position as at 1130).

#### **The Amendments to the Sailing Instructions**

Clause A8.1 is amended to read:

“Routine Position Reporting Schedules will take place at 11.35, 1235,1335 and 1435.”

The last sentence of Clause A8.3 is amended to read:

“The position given must be as at the half hour prior to the commencement of the schedule.”

Revised Sailing Instructions have been posted

Justin Brenan – Sailing Captain
