

NOTICE OF RACE

2020 MELBOURNE TO KING ISLAND YACHT RACE

KING ISLAND
ORCV OCEAN RACE

Version 1.01 Final

MELBOURNE TO KING ISLAND YACHT RACE

The race to Grassy, while being one of the shorter ocean races at only 114 miles, presents some unique navigational challenges as it is often won or lost in the concluding stages depending on where yachts make their landfall. Big gains and losses can occur due to wind and tidal influences on the approach to the finish.

The harbour offers safe anchorage in all weather and the hospitality of the King Island Boat Club is legendary. The steak sandwiches alone are worth the trip.

This race is part of the ORCV Offshore and Double Handed Championships.
