ORCV COASTAL SPRINT SERIES RACE 2

The ORCV's Coastal Sprint races are each approximately 55NM in length starting at Queenscliff and finishing in the proximity of Port Phillip Heads.

The scheduled dates for the remaining 2 races in the 2021- 2022 series are:-

Race 2 12 February 2022 (starting 0930)

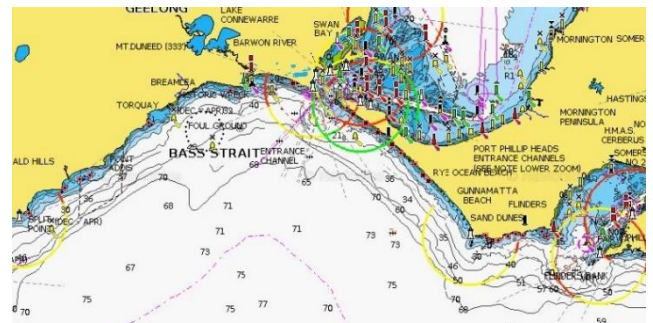

Race 3 23 April 2022 (starting 0530)

The courses are set in the waters broadly bounded by Drapers Reef, Phillip Island and Split Point. Virtual marks and gates may be used to take best advantage of expected race conditions. Subject to weather, at least one course in the series will head east to round the Western Port fairway entrance buoy before returning to finish off Portsea Back Beach.

The three Category 3 Coastal Sprint races are designed to enable Melbourne based crews to return to their Home Clubs on Saturday night if required. Crews with more time are encouraged to take the opportunity of an overnight stay at either the Queenscliff Cruising Yacht Club or at the Blairgowrie Yacht Squadron.

Including the Apollo Bay Race, the ORCV program now includes four Category 3 races as a viable "stand alone" Coastal Championship series for those who are unable to participate in longer events but also providing a great development path for those who wish to enter the world of Cat 1 & 2 offshore racing and for new double handed offshore crews.

Coastal Sprint Course Area

The Coastal Sprints are eligible races in both the ORCV's Offshore Championship and a new ORCV Coastal Championship which will be determined on results from our four Category 3 offshore events.
