

## 2021 King Island Race

### NOTICE TO COMPETITORS No.1

Version 1.01 of the Sailing Instructions have been amended:-

- The reporting time for the eventing sked has been corrected to read 2105
- The location of the wave generator platform given in paragraph D3.1 of the text has been corrected. The longitude is E144° 03.525' (not E144° 05.525').

**Please note that the diagram showing the approximate location of the wave generator platform at Grassy did not require correction.**

Please see Sailing Instructions V1.02.
